

MESA II, Local

José Manuel Jiménez Blázquez

Ingeniero de Montes por la Universidad Politécnica de Madrid.

Director General de Infraestructuras y Sostenibilidad Ambiental de la Consejería de Medio Ambiente, Vivienda y OT de la Junta de Castilla y León.

Consejero Delegado de la Sociedad Pública de Infraestructuras y Medio Ambiente de Castilla y León, SOMACYL, <https://somacyl.es/>.

SOMACYL impulsa en la mayor área industrial de Castilla y León, el Polígono Industrial de Villalonguéjar de Burgos, la Red de Calor Sostenible que genera agua caliente, agua fría, vapor y electricidad para las empresas del Polígono, a partir de biomasa y renovables.

José Manuel Jiménez Blázquez

Forestry Engineer from the Polytechnic University of Madrid.

Director General of Infrastructure and Environmental Sustainability at the Regional Ministry of Environment, Housing and Territorial Organisation of the Regional Government of Castile and León, Spain.

Chief Executive Officer of the Public Infrastructure and Environment Company of Castile and León, SOMACYL, <https://somacyl.es/>.

SOMACYL promotes the Sustainable Heating Network in the largest industrial area of Castile and León, Villalonguéjar Industrial Estate in Burgos, which generates hot water, cold water, steam and electricity for the companies in the estate, from biomass and renewable energy sources.
